Match summary

What potentially is the toughest league fixture of the season was held at Stanton on the Wolds GC and an inspired Nottinghamshire team produced a display of great golf with some excellent putting on the greens. After an incredibly dry spring and early summer SOTW managed to produce very smooth greens for the match and off the course looked after everyone with excellent hospitality.

A strong top order achieved highly creditable results against very good opposition golfers and then the middle order and anchor pairs continued to add the points tally. 4 of the 6 afternoon matches went to the 18th but nerves were held and points accumulated to deliver a rare victory over the almost perennial Midland League team champions.

A fantastic team effort and a match played with great determination by both sides, Lincolnshire being experienced and difficult opponents. So many familiar faces on both sides but the matches were highly contested in the true spirit of the game and with plenty of good humour in the clubhouse afterwards.
