Match summary

The final Midland league match of the season against Northamptonshire was played on the excellent Northants County golf course and not only did the conditions turn out well so did the result. As ever familiar faces on both teams ensured that the game was played in good spirits though clearly both sides were looking for the win.

A solid morning foursomes gave us a 4-2 lead and then with the afternoon fourballs a strong top order put the result firmly in our favour. More than the golf, Northants and Northants County were excellent hosts with both the clubhouse and course providing great facilities for us on the day.

Still hopeful of topping the East Midlands league but we are not in control of the outcome after Lincs and Leics halved their match on the same day.
